Can you think of any major problems or ideas involving moose management in Unit 21E or the portion of Unit 21A in the Innoko River drainage that do not appear to have been considered up to this point? The space below can be used for any additional comments or suggestions you may have that will help the Yukon-Innoko Moose Management Working Group develop the best management plan possible.

If possible, please send us your comments by October 21 so they can be considered at the early November 2005 Working Group Meeting in Holy Cross.

Comments can also be sent by E-mail to "randy_rogers@fishgame.state.ak.us" or faxed to (907) 452-6410, attention: Randy Rogers. All comments, no matter when they are received, will be provided to the Yukon-Innoko Moose Management Working Group.
